

Dear competitor,

Some things that are good to know before you arrive at Landal Green Park Orveltermarke

- Check in, both for the bungalow and the competition are in the briefing tent, see map below.
- Parking at the same field. Pilots can drive to the field using the road assigned with the yellow arrows (navigation set to: "Veenveldsweg, Witteveen")
- Be aware of the mountainbike-trail that's crossing the "Veenveldseweg", drive slowly
- After the check in with Landal you can drive to your bungalow to unload, but after that please park your vehicles on the field.

Red=parking, Yellow=briefing tent and Blue = refueling

See you all soon,

Organisation Dutch Balloon Trophy 2023
