TO: Competitor #7, Rhett Heartsill

RE: Protest regarding Tasks 11, 12, 13 from Flight #4

Based on the information provided to the Jury by #7 Competitor, the Event Director, and the Scoring Officer, the ruling is as follows:

- 1) All competitors were given equal opportunity to launch and begin the competition flight.
- 2) Due to deteriorating flight conditions the Event Director cancelled further flight via **What'sApp**.
- 3) Competitor #7's phone showed the message was received at 08:37.
- 4) All pilots achieved a result for Task #10 prior to the cancellation notice and the task was added to the championship results.
- 5) Task #11 results show that all pilots achieved a result prior to the cancellation and will be added to the championship results.
- 6) Tasks 12 and 13 are not allowed as not all pilots had an opportunity to complete the tasks and get a result prior to the cancellation.

The Jury voted to return the \$100 protest deposit.

The decisions by the Jury were unanimous.
