

Briefing notes 09/09/2024 am

- P number is set at 118
- Rule II.12 - GOALS SELECTED BY A COMPETITOR (12.2)  
The vertical limit is elevated to **850ft msl**. No other variation to the rule.  
The features are very well depicted on the map, therefore a Ozi PLT file with the motorways, powerlines and railways will not be published.
- The magnetic variation will be announced at next briefing. Declination is  $5^{\circ} 47'$  or  $5.78^{\circ}$   
Anticipated here below:

- Question: at briefings, will we receive a copy of the met sheet? Answer: yes, you will receive a paper copy of the met sheet and two copies of the task sheet.
